The Saskatoon Fringe Theatre Festival is a Community Celebration

The Fringe Festival is built on a unique presentation format common to all Fringe Festivals across Canada, designed to be low risk and affordable for the artist.

Low ticket process create opportunities for a large audience to discover theatre as an art form, and connect with our unique offering of independent theatre from around the world.

We provide developmental programs that support young emerging theatre companies and musicians, giving them the opportunity to be mentored by a professional artist and present their work to the public.

We invest in strategies that eliminate barriers to access through our community inclusion program that provides paid tickets (not free, performers receive the ticket money) to people in our community who would not otherwise have the opportunity to experience independent theatre.

Our street activities provide opportunities for craft artists, street performers, and local businesses to connect with our demographically diverse festival audience while also attracting new audience to the theatre shows.

You can help us serve our community by:

- ≈ **Volunteering** at the Fringe
- ≈ **Billeting** a touring Fringe performer
- ≈ Making a **Donation**
